Cell Sales Initiative for Solar Car Teams

SunPower's Specialty Product Group is launching an initiative to support Solar Car Teams use of SunPower cells. To aid the teams, the Specialty Product Group is reducing prime cell pricing equally for all teams and expanding outreach efforts.

SunPower Cell Price Sheet for Solar Car Teams

Gen E and C Cells, High Aesthetic Quality

Cell Gen	Bin	Typical Power	Typical Efficiency	Typical Voc	Typical Isc	Typical Vmp	Typical Imp	Special offer with logo placement, price per cell	Regular Price, price per cell
